The Tamilnadu Dr. M.G.R Medical
University, Chennai.

Organized by

Department of Pharmaceutics
&
Department of Pharmacology

SANKARALINGAM BHUVANESWARI
COLLEGE OF PHARMACY,

Anaikuttam,
Sivakasi-626130

VENUE:

S. B. College Auditorium

ABOUT THE COLLEGE

Sankaralingam Bhuvaneshwari College of Pharmacy is run under the guidance of Sankaralingam Bhuvaneshwari trust founded by Sri S. S. SANKARALINGAM and is a registered charitable trust. The principal purpose of the trust is to establish various educational institutions to impart general and technical knowledge to the younger generation to meet the urgent need of the country. The campus possesses a sprawling 27 acres of land. The trust started Diploma in Pharmacy in 1988, Bachelor of Pharmacy in 1992, M.Pharm. Pharmaceutics in 2006, M.Pharm. Pharmaceutical Analysis in 2009, M.Pharm. Pharmacology in 2010 and Ph.D., in 2012.

The courses were approved by AICTE (All India Council for Technical Education), New Delhi and recognized by PCI (Pharmacy Council of India), New Delhi and affiliated to The Tamilnadu Dr.M.G.R. Medical University, Chennai.

OUR GOAL

To achieve "Excellence in Pharmacy Education & Research".

OUR MISSION

- To produce dedicated, disciplined and quality pharmacist through service par excellence.
- To meet the needs of the industry, business and society.
- To be a role model and pioneer institution in the pharmaceutical education.

ABOUT THE SEMINAR

The seminar provides a platform for all pharmaceutical scientists, universities, research institutions and pharmaceutical industries to discuss and share about all the important national break through developments in novel drug delivery systems and clinical research.

It will broadcast the recent scientific developments in drug delivery and clinical research and also explore the link between the modern drug delivery technologies with clinical outcome for better patient health care.

Above all this seminar will provide a platform to unite leading minds in the field of drug delivery and clinical research. The resource persons identified for this seminar were eminent scientist and teachers from pharmaceutical industry and institutions.

RESOURCE PERSONS

Topic 1: Bio- analytical Techniques used in Bioequivalence Study and Clinical Research.

- Dr. C.L. Gopu, Scientific Manager, Icon Pharmaceuticals, Bangalore.

Topic 2: Alternatives to Animal Experiments for Learning and Research.

- Dr. S. Kavimani, Professor & Head, Department of Pharmacology, Mother Theresa Postgraduate and Research Institute of Health Sciences, Puducherry.
